

North Star Learning Center

500 E 5th Ave North Pole, Alaska

About Us

This will be our 30th year of Preschool. We are proud of North Star Learning Center and of the children who attended in the past, the children enrolling now and look forward to the children coming in the future. We have been a part of the community of North Pole since 1991.

North Star Learning Center

Supplement #1 to Parent Brochure

Dated: August 1, 2021

Mission: To provide the highest quality care for your beautiful baby, to love your child as our own while in our care and to share their lives with you.

We want to make the working parents experience the easiest possible so we have made up an outline to help both of us accomplish this goal.

Staff-Child Ratio

Infant Care	6 wks - 18 months	Ratio 5:1
Toddler Care	19 months-36 months	Ratio 6:1

Drop Off or Pick Up:

We will greet you at door/gate to receive your child. At the end of the day we will deliver your child to you at the door/gate. We do this for safety and cleanliness. if you want you can call ahead for pick up so we can have everything together and your child is freshly changed and checked.

Belongings:

All belongings need to be marked in a clear way with initials or name either on item or on masking tape. All children will be given their own cubby for storage.

488-7827 or 488-STAR

Call us to...

North Star Learning Center

7 am - 5:30 pm Monday through Friday

488-7827 or 488-STAR

Parents need to provide the following:

Diapers Wipes 2 sets of extra clothes

Food:

All bottles must be premade and marked with name and date. They will be sent home each night for cleaning.

All food must be provided for children up until 19 months.

We Supply:

Mats - Disinfected daily

Cribs - Disinfected daily

Sheets washed weekly or as needed.

Toilet Training:

We work with the family on toilet training. Children at this stage should be wearing easily removable clothing and have clothing for accidents.

Emergency Contact:

Please make sure you inform us of any changes in contacting you on emergency. Your alternative emergency contact needs to be aware that in the event of emergency or illness if we cannot get hold of you they would be required to pick the child up.

Illness:

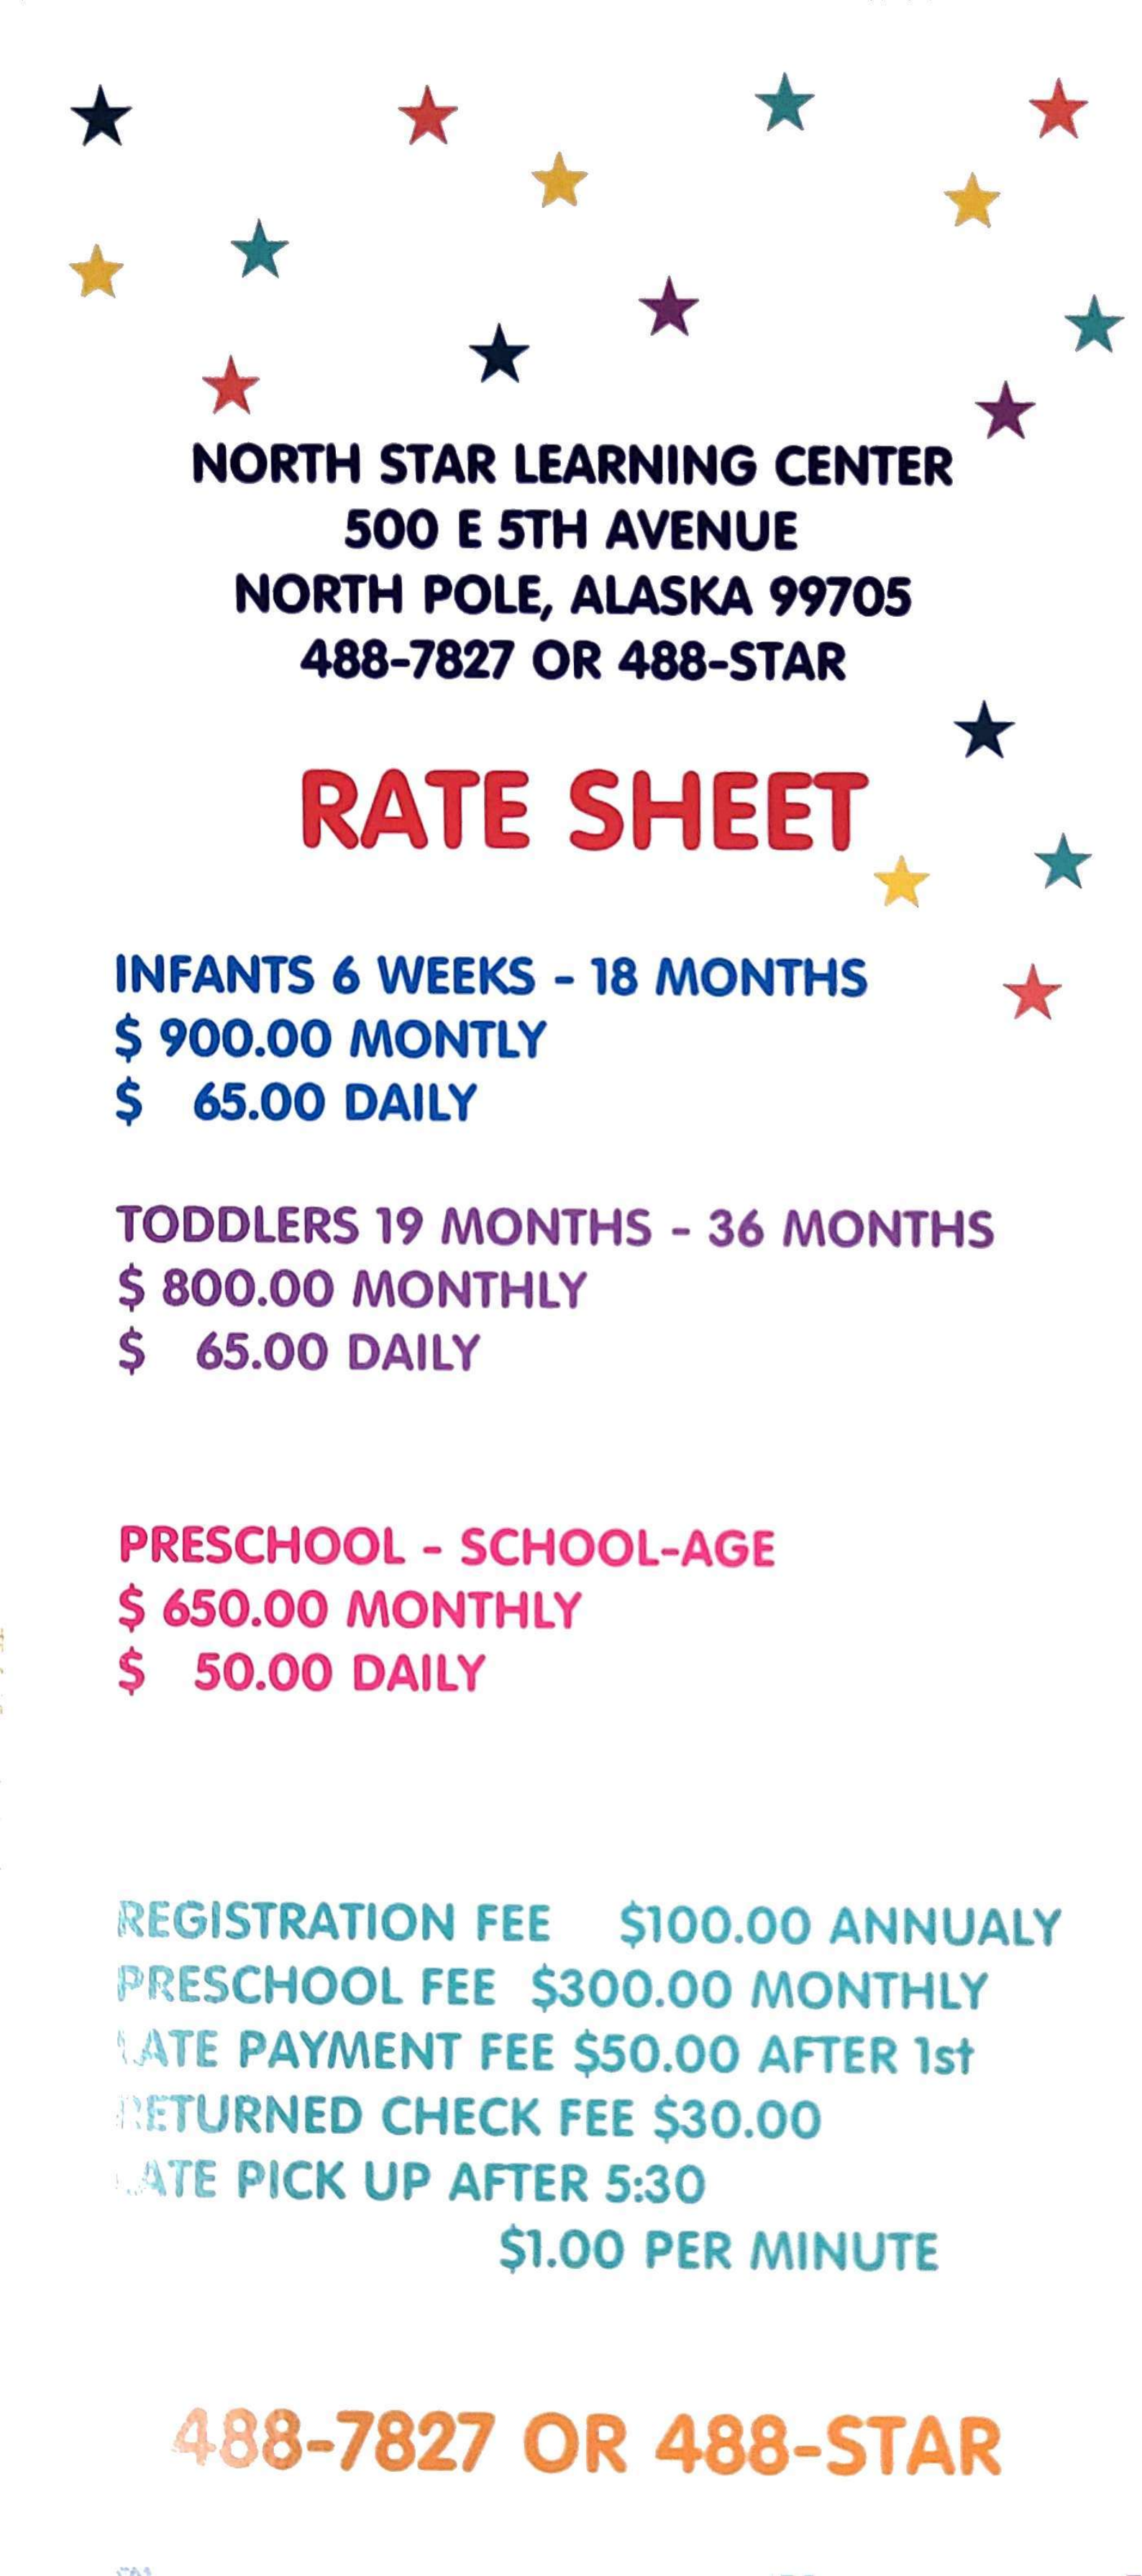

If your child develops a fever of 101, has 2 loose stools, vomits or shows signs of illness or a need that we cannot meet we will call you to pick up your child. We work very hard to not call parents but occasionally this happens.

Toys:

We ask parents not to bring in toys. We supply and clean often the toys the children use. We also take great care to pick age appropriate and easily cleaned items.

Any questions ?? Please feel free to ask !!!
